

THE HOME OF THE GREATER HUB FURNITURE CO.

You and Your Friends Are Cordially Invited To the Opening of The Greater Hub

This invitation is sincerely and cordially extended to every one. It is an informal invitation to an informal affair, and we surely want you to accept it in that spirit. Come just as you would call on your nearest relative or dearest friend. We shall expect you tomorrow, between 9 a.m. and 6 p.m., and will welcome you, and we will devote our attention to making your visit pleasant and interesting.

Of course, most of you know of the transformation that has been wrought in this store. The addition of the adjoining double building on 7th street makes *the store more than twice* its former size. The extensive improvements throughout the entire establishment and the augmented lines of guaranteed Furniture make it the *largest, handsomest and best equipped furniture store* in the city. Many of you generously put up with the inconvenience of giving us your valued patronage while our entire establishment was in the turmoil of rebuilding operations. Dust and dirt, noise and confusion could not keep you away, and for that we are *certainly grateful* to you.

Opening Souvenir **FREE** To All Visitors

This beautiful American Pres-cut Glass Bonbon Comport is 8½ inches high.

It will be presented FREE to all who visit our opening tomorrow.

But now the new store is splendidly ready—complete in every detail. The new stocks are in and the displays are complete. We call it the new store—the new home of The Greater Hub—but in reality *it is the same store*—the store you know so well, only you have helped to make it larger and better. For with all the newness and increased space, and larger and finer stocks, the *same spirit and policy prevail* as usual—the same *cordial welcome*, the same *courteous attention*, the same *guarantee of satisfaction*, and the same and *greater underselling values*, and the same *liberal Credit* await you and your friends at this improved store, which is truly **“YOUR” store.**

Give us the pleasure, then, of welcoming you to **YOUR** store—the store that can never be too large nor too fine to give you the satisfactory service which you have a perfect right to expect now and always.

THERE will be music by Minster's Orchestra to entertain you; there will be plenty of salesmen to show you every attention, so be sure and visit our opening tomorrow.
